### VISION:

- Positioning North America as the World Leader in Rapid Response Manufacturing.
- Establish The Rio South Texas Region as a major North American logistics and distribution hub (3<sup>rd</sup> Coast) with global access through Mexico ports.

### ULTIMATE GOALS:

- Raise the standard of living by increasing and sustaining the total number of high skills, high wage manufacturing jobs from 17,428 to at least 25,000 positions by 2017.
- Create a world-class manufacturing workforce with skills to meet the demands of a complex manufacturing workplace.

The NAAMREI network consists of three major alliances.

- Goal 1) Rio South Texas University & Innovation Alliance (RSSTUIA)
- Goal 2) Rio South Texas College Alliance (RSTCA)
- Goal 3) Texas Science, Technology, Engineering, Math Alliance (T-STEM)
